PLEASE TAKE NOTICE THAT:

On September 22, 2022 (the "<u>Petition Date</u>"), the above-listed Debtors filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the "<u>Bankruptcy Code</u>") in the United States Bankruptcy Court for the Southern District of Texas (the "<u>Court</u>").

On September 26, 2022, the Court entered an order (the "Order")² establishing deadlines by which parties holding prepetition claims against the Debtors must file proofs of claim ("Proofs of Claim"), including requests for payment pursuant to section 503(b)(9) of the Bankruptcy Code.

For your convenience, enclosed with this notice (this "Notice") is a Proof of Claim Form, which identifies the amount, nature, and classification of your claim(s), if any, listed in the Debtors' schedules of assets and liabilities filed in these cases (the "Schedules"). If the Debtors believe that you hold claims against more than one Debtor, you will receive multiple Proof of Claim Forms, each of which will reflect the nature and amount of your claim as listed in the Schedules.

As used in this Notice, the term "claim" means, as to or against the Debtors and in accordance with section 101(5) of the Bankruptcy Code: (a) any right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured or unsecured; or (b) any right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured or unsecured.

I. THE BAR DATES

The Order establishes the following bar dates for filing Proofs of Claim and Section 503(b)(9) Requests in the chapter 11 cases (collectively, the "Bar Dates"):

- a. Claims Bar Date. Except as expressly set forth in this Notice, all entities (except governmental units and other entities exempt from filing Proof(s) of Claim under the Order) holding claims against the Debtors that arose or are deemed to have arisen prior to the Petition Date, are required to file Proofs of Claim by November 23, 2022 at 5:00 p.m. (prevailing Central Time). Except as expressly set forth in this Notice and the Order, the Claims Bar Date applies to all types of claims against the Debtors that arose prior to the Petition Date, including secured claims, unsecured priority claims, and unsecured non-priority claims.
- **b.** Governmental Bar Date. All governmental units holding claims against the Debtors that arose or are deemed to have arisen prior to the Petition Date are required to

² Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Order.

file proofs of claim by March 21, 2023 at 5:00 p.m. (prevailing Central Time). The Governmental Bar Date applies to all governmental units holding claims against the Debtor (whether secured, unsecured priority, or unsecured non-priority) that arose prior to the Petition Date, including governmental units with claims against the Debtors for unpaid taxes, whether such claims arise from prepetition tax years or periods or prepetition transactions to which the Debtors were a party.

c. Section 503(b)(9) Bar Date. Except as expressly set forth in this Notice, all entities (except for governmental units and other entities exempt from filing Section 503(b)(9) Requests under the Order), each entity that asserts a request for payment under section 503(b)(9) of the Bankruptcy Code (a "Section 503(b)(9) Request") shall be required to file a Section 503(b)(9) Request with the Bankruptcy Court on or before November 23, 2022 at 5:00 p.m. (prevailing Central Time).

II. WHO MUST FILE A PROOF OF CLAIM OR SECTION 503(B)(9) REOUEST

Except as otherwise set forth herein, the following entities holding claims against the Debtors that arose (or that are deemed to have arisen) prior to the Petition Date must file Proofs of Claim or Section 503(b)(9) Requests on or before the Claims Bar Date, Governmental Bar Date, Section 503(b)(9) Bar Date, or any other Bar Date set forth in the Order, as applicable:

- (a) any entity whose claim against the Debtors is not listed in the Debtors' Schedules or is listed as contingent, unliquidated, or disputed if such entity desires to participate in these Chapter 11 Cases or share in any distribution in these Chapter 11 Cases;
- (b) any entity who believes that its claim is improperly classified in the Schedules or is listed in an incorrect amount and who desires to have its claim allowed in a different classification or amount other than that identified in the Schedules; and
- (c) any entity who believes that its claim against the Debtors is or may be an administrative expense pursuant to section 503(b)(9) of the Bankruptcy Code.

III. WHO IS NOT REQUIRED TO FILE A PROOF OF CLAIM OR § 503(B)(9) REQUEST

Some parties are not required to file Proofs of Claim or Section 503(b)(9) Requests. The Court may, however, enter one or more orders at a later time requiring creditors to take certain actions for some kinds of the claims and set related deadlines. If the Court enters such an order, you will receive notice of it. The following entities holding claims that would otherwise be subject to the Bar Dates need not file Proofs of Claim or Section 503(b)(9) Requests:

- (a) any entity that already has filed a signed Proof of Claim against the applicable Debtor(s) with Epiq in a form substantially similar to Official Form 410;
- (b) any entity whose claim is listed on the Schedules if: (i) the claim is not scheduled by the Debtors as any of "disputed," "contingent," or "unliquidated;" and (ii) such

- (c) any entity whose claim has previously been allowed by a final order of the Court;
- (d) a current employee of the Debtors, for any claim related to wages, commission or benefits; *provided* that a current employee must submit a Proof of Claim by the Claims Bar Date for all other claims arising before the Petition Date, including claims (if any) for wrongful termination, discrimination, harassment, hostile work environment, and/or retaliation;
- (e) any current officer, manager, director, or employee for claims based on indemnification, contribution, or reimbursement;
- (f) any entity holding a claim for which a separate deadline is fixed by this Court;
- (g) any entity holding a claim allowable under sections 503(b) and 507(a)(2) of the Bankruptcy Code as an expense of administration incurred in the ordinary course; provided that any entity asserting a claim entitled to priority under section 503(b)(9) of the Bankruptcy Code must assert such claims by filing a Section 503(b)(9) Request on or prior to the Section 503(b)(9) Bar Date; or
- (h) professionals engaged in these Chapter 11 Cases by (i) the Debtors or (ii) any official committee appointed in these Chapter 11 Cases (the "<u>Creditor's</u> Committee").

No entity wishing to assert an interest in a Debtor shall be required to file a proof of interest; *provided*, that any such entity wishing to assert a claim, including related to its status as an equity holder, must file a Proof of Claim unless otherwise exempted by the Order.

Understand the terms used in this form

Administrative expense: Generally, an expense that arises after a bankruptcy case is filed in connection with operating, liquidating, or distributing the bankruptcy estate. 11 U.S.C. § 503.

Claim: A creditor's right to receive payment for a debt that the debtor owed on the date the debtor filed for bankruptcy. 11 U.S.C. §101 (5). A claim may be secured or unsecured.

Creditor: A person, corporation, or other entity to whom a debtor owes a debt that was incurred on or before the date the debtor filed for bankruptcy. 11 U.S.C. §101 (10).

Debtor: A person, corporation, or other entity who is in bankruptcy. Use the debtor's name and case number as shown in the bankruptcy notice you received. 11 U.S.C. § 101 (13).

Evidence of perfection: Evidence of perfection of a security interest may include documents showing that a security interest has been filed or recorded, such as a mortgage, lien, certificate of title, or financing statement.

Information that is entitled to privacy: A Proof of Claim form and any attached documents must show only the last 4 digits of any social security number, an individual's tax identification number, or a financial account number, only the initials of a minor's name, and only the year of any person's date of birth. If a claim is based on delivering health care goods or services, limit the disclosure of the goods or services to avoid embarrassment or disclosure of confidential health care information. You may later be required to give more information if the trustee or someone else in interest objects to the claim.

Priority claim: A claim within a category of unsecured claims that is entitled to priority under 11 U.S.C. §507(a). These claims are paid from the available money or property in a bankruptcy case before other unsecured claims are paid. Common priority unsecured claims include alimony, child support, taxes, and certain unpaid wages.

Proof of claim: A form that shows the amount of debt the debtor owed to a creditor on the date of the bankruptcy filing. The form must be filed in the district where the case is pending.

Redaction of information: Masking, editing out, or deleting certain information to protect privacy. Filers must redact or leave out information entitled to privacy on the Proof of Claim form and any attached documents.

Secured claim under 11 U.S.C. \$506(a): A claim backed by a lien on particular property of the debtor. A claim is secured to the extent that a creditor has the right to be paid from the property before other creditors are paid. The amount of a secured claim usually cannot be more than the value of the particular property on which the creditor has a lien. Any amount owed to a creditor that is more than the value of the property normally may be an unsecured claim. But exceptions exist; for example, see 11 U.S.C. \$ 1322(b) and the final sentence of 1325(a).

Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment may be a lien.

Setoff: Occurs when a creditor pays itself with money belonging to the debtor that it is holding, or by canceling a debt it owes to the debtor.

Uniform claim identifier: An optional 24-character identifier that some creditors use to facilitate electronic payment.

Unsecured claim: A claim that does not meet the requirements of a secured claim. A claim may be unsecured in part to the extent that the amount of the claim is more than the value of the property on which a creditor has a lien.

Offers to purchase a claim

Certain entities purchase claims for an amount that is less than the face value of the claims. These entities may contact creditors offering to purchase their claims. Some written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court, the bankruptcy trustee, or the debtor. A creditor has no obligation to sell its claim. However, if a creditor decides to sell its claim, any transfer of that claim is subject to Bankruptcy Rule 3001(e), any provisions of the Bankruptcy Code (11 U.S.C. § 101 et seq.) that apply, and any orders of the bankruptcy court that apply.
